LC-POWER

LC6350 V1.3

Super Silent Series

The legendary SUPER SILENT SERIES by LC-POWER offers the optimum price-performance ratio: thanks to its high-value 120mm fan, the LC6350 V1.3 lets you experience a stress-free and super-silent work in your office as well as at home. Despite the low sound level, the power supply offers an excellent cooling capacity for your system thanks to its ventilation grille on its back.

The power supply features all current connectors of the upper office sector. Besides current mainboards you can connect several SATA and PATA hard disk drives respectively optical drives.

Including PFC (power factor correction for an efficient use of the spent energy) and all relevant safety circuitry.
